Dear General Walters,

I am delighted that Mr. Helms has approved your participation in EPSILON 72. Your extensive knowledge and background in politico-military affairs on the European scene will be invaluable.

General Goodpaster will host EPSILON 72 at Garmisch, Germany, from 30 October through 3 November 1972. The simulation will examine US/NATO policy and strategy for the 1975-77 time frame. An orientation booklet with detailed information on the conference will be forwarded to you at a later date.

Billeting will be handled by US Army Europe. I suggest you contact CINCUSAREUR directly regarding your billeting requirements. A schedule of meetings and a list of invitees are included for your information.

In the past, new policy and planning insights have been derived from EPSILON simulations. A fresh look at US, NATO, and European power relationships is especially relevant at this time; consequently, I am confident that
